

ORDER NUMBER: 509
DATE: August 23, 1976

BEFORE THE WASHINGTON STATE ENERGY
FACILITY SITE EVALUATION COUNCIL

In the Matter of Application)	
No. 76-2 of the)	
NORTHERN TIER PIPELINE)	ORDER ACCEPTING CITY OF
COMPANY)	PORT ANGELES, A MUNICIPAL
.)	CORPORATION, AS AN INTER-
)	VENOR

THIS MATTER coming on regularly for hearing on the 9th day of August, 1976 on the petition of the City of Port Angeles, a municipal corporation of the State of Washington, for permission to intervene in these proceedings involving the application of the Northern Tier Pipeline Company regarding the establishment of an oil port in said City and it appearing to this council that the petitioner has a pertinent interest in the proposed site and the subject of the application inasmuch as said site is in the Port Angeles harbor area and within the City Limits of Port Angeles and that the disposition of the site application may as a practical matter impair or impede the City's ability to protect its interests; and it further appearing that the City's interests are or may not adequately be represented by existing parties including Counsel for the Environment that the City is entitled to representation by its own representatives; and it further appearing that intervention by the City of Port Angeles will not unduly delay or prejudice the adjudication of the rights of the original parties;

NOW, THEREFORE, IT IS HEREBY ORDERED that the petition to intervene of the City of Port Angeles is granted and the City of Port Angeles is permitted to intervene in these proceedings with the rights as intervenor specified in WAC 463-08-030 together with any other rights that may be granted intervenors by this Council.

DATED at Olympia, Washington, this 23rd day of August, 1976.
