. . . . . )

THIS MATTER Having come on regularly before the Energy Facility Site Evaluation Council at its regular meeting of June 23, 1980 upon petition by John R. McKean, Superintendent of the Crescent School District No. 313, for intervention in the proceedings relating to the application for site certification by the Trans Mountain Oil Pipe Line Corporation, the council having heard argument pertaining to the merits of intervention by Crescent School District No. 313 and the Council having duly voted to allow intervention by Crescent School District No. 313,

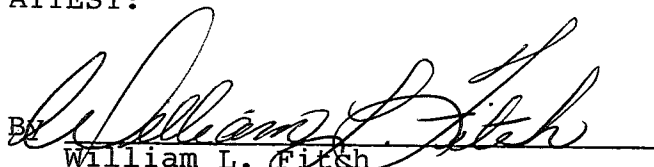

NOW, THEREFORE, BE IT HEREBY ORDERED By the Council that Crescent School District No. 313 is accorded status as intervenor in the proceedings relating to the application for site certification of the Trans Mountain Oil Pipe Line Corporation as it relates to the location of the transshipment facility and pipeline on or near land within the boundaries of Crescent School District No. 313; to impacts upon the school facilities, staff, materials and equipment; and to all other factors directly affecting the interests of Crescent School District No. 313. Intervenors are given all rights of intervention according to Title 463 of the Washington Administrative Code.

Dated at Olympia, Washington and effective this 14th day of July 1980.
