

COUNCIL RESOLUTION No. 217

WHEREAS, the Energy Facility Site Evaluation Council has established an extensive list of resolutions directing, controlling, approving or closing out activities relating to construction, monitoring and environmental protection at the Washington Public Power Supply System's WNP-3/5, and

WHEREAS, many of the actions addressed by the resolutions have been completed, and

WHEREAS, when the Council has satisfied itself that the purpose of a resolution has been served, that fact should be recognized by the formal action rescinding or closing out of such resolution, and

WHEREAS, the Council recognizes that it has already rescinded Council Resolutions 115, 120, 124, 126, 128, 142, 144, 147, 148, 149, 153, 154, 158, 164, 171, 172, 179, 180, 183, 195, 199 and 203, and

WHEREAS, following its review the Council recognizes that for the following resolutions the Council's concerns and the resolution's requirements have been met: 151, 160, 162, 167, 170, 173, 178, 185, 187, 188, 207 and 212, and

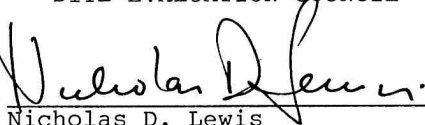

WHEREAS, the Council recognizes that approvals granted in the following resolutions were for a finite period, and all approvals have expired as of May 1983: 119, 150, 169, 177, 182, 190, 196, 204, and 206.

NOW, THEREFORE, BE IT RESOLVED, that because resolutions have been rescinded, satisfied, expired, or are otherwise inappropriate, the Council hereby declares that the following resolutions are to be considered closed, and no longer an active or working requirement or approval: 115, 119, 120, 124, 126, 128, 142, 144, 147, 148, 149, 150, 151, 153, 154, 158, 160, 162, 164, 167, 169, 170, 171, 172, 173, 177, 178, 179, 180, 182, 183, 185, 187, 188, 190, 195, 196, 199, 203, 204, 206, 207, and 212.

BE IT FURTHER RESOLVED, that copies of all resolutions hereby closed out shall be retained at the Council's office for historical purposes.

Dated this 23rd day of May, 1983.
