

RESOLUTION NO. 3-74

A Resolution of the Washington State Thermal Power Plant Site Evaluation Council indicating agreement with the request of the Washington Public Power Supply System that the time allowed for the Council's recommendation on Application No. 73-1, WPPSS Nuclear Project No. 1, be extended for one year to February 13, 1975.

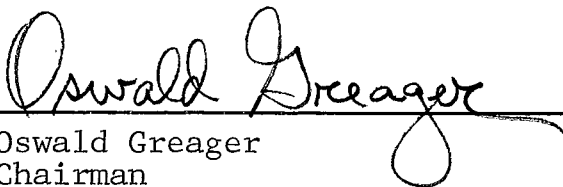

WHEREAS, At the January 14, 1974, regular meeting of the Thermal Power Plant Site Evaluation Council, the Washington Public Power Supply System, through its attorney Mr. Richard Quigley, did verbally request that the Council agree to extend for a period of one year the time allowed pursuant to RCW 80.50.100(1) for the Council's recommendation to the Governor on disposition of Application No. 73-1, WPPSS Nuclear Project No. 1, and did further indicate that the Supply System did not desire that the Council proceed now with further review of the application; and

WHEREAS, By letter of January 23, 1974, Mr. L. L. Humphreys, Deputy Managing Director of the Washington Public Power Supply System did confirm Mr. Quigley's prior verbal request explaining that the extension is requested to allow the Supply System time to analyze the extension of the N-reactor operating contract beyond 1977-78 and to study alternate sites for the relocation of the WPPSS Nuclear Project No. 1 pursuant to a request from the Bonneville Power Administration and the Public Power Council; and

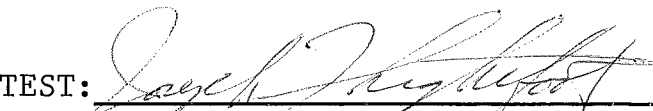

WHEREAS, The Thermal Power Plant Site Evaluation Council has determined that the extension would be in the best interest of the Washington Public Power Supply System and of the Council, each in pursuing its respective responsibilities;

NOW, THEREFORE, BE IT RESOLVED By the Thermal Power Plant Site Evaluation Council that the Council does agree, as requested by the Washington Public Power Supply System, to extend the time allowed under RCW 80.50.100(1) for the report of its recommendations to the Governor until February 13, 1975, and hereby indicates that until notified by the Supply System of a decision to proceed, no further activities beyond the acceptance and filing of stipulations already agreed to and the entering of Prehearing Conference Order No. 6 will be performed under Application No. 73-1 or upon the associated NPDES permit application received by the Council on November 28, 1973.

Approved This 28th Day of January
1974 at Regular Open Meeting
