TUUSSO Energy-Columbia Solar Project – EFSEC Docket No. EF-170823

**NOTICE OF OPPORTUNITY TO PROVIDE WRITTEN COMMENT ON LAND USE
CONSISTENCY**

On December 12, 2017 The Energy Facility Site Evaluation Council (EFSEC) conducted a land use hearing regarding the proposed Tuusso Energy-Columbia Solar Project. The hearing was held at the Kittitas Valley Event Center in Ellensburg WA. At the conclusion of the hearing the EFSEC Council extended the opportunity for the public to provide written comment until **5:00 PM December 22, 2017.**

Written public comment may be submitted to EFSEC via e-mail: efsecrecords@utc.wa.gov or by mail to: EFSEC, P. O. Box 47250, Olympia, WA 98504. Comments submitted should clearly address the Tuusso Energy–Columbia Solar Project’s consistency and compliance with Kittitas County land use plans and zoning ordinances.

More information concerning the Columbia Solar Project is available on the EFSEC website at: http://www.efsec.wa.gov/Tuusso_Solar.shtml or you may contact Sonia Bumpus, EFSEC Siting/Compliance Manager at (360) 664-1363.
