Request to Amend the BP Cherry Point Cogeneration Project Site Certification Agreement

On June 10, 2011, BP requested the Energy Facility Site Evaluation Council (EFSEC) to approve an amendment to the BP Cherry Point Cogeneration Project Site Certification Agreement (SCA). If approved, the amendment would allow transfer of the SCA and associated permits from Cherry Point Cogeneration, LLC to BP West Coast Products, LLC.

Starting at 2:00 p.m., EFSEC will conduct an informational hearing at 1300 S. Evergreen Park Drive SW, conference room 206, Olympia, Washington. The purpose of the hearing is to receive public comments from interested persons or organizations on the request to amend the SCA.

Written comments will also be accepted. Written comments should be sent to the attention of Jim La Spina, EFSEC Siting Specialist, EFSEC, PO Box 43172, Olympia, WA 98504-3172, by email to efsec@utc.wa.gov, or by fax to (360) 586-1130. All **written comments must be received in the EFSEC office by 5:00 pm, August 16, 2011**. Written comments may also be submitted at the informational hearing on August 15, 2011 in Olympia, Washington.

The SCA amendment request and EFSEC's SEPA Determination of Non-Significance regarding this matter pursuant to WAC 197-11-340 are available from the Council at the address listed above, or by calling Jim La Spina, EFSEC Siting Specialist, at (360) 664-1362. These documents are also available on the EFSEC web site at: <http://www.efsec.wa.gov/bpcogen.shtml>.
