ORDINANCE NO. 634

AN ORDINANCE relating to zoning, rural lands twenty acre district (RL-20), and growth management act agricultural district (GMAAD); amending the sections relating to uses requiring a conditional use permit and allowable uses; amending Ordinance 611, Section 53 and BCC 11.15.060; amending Ordinance 611, Section 60 and BCC 11.17.040; and amending Ordinance 611, Section 63 and BCC 11.17.070.

BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF BENTON COUNTY, WASHINGTON:

SECTION 1. Ordinance 611, Section 53 and BCC 11.15.060 are hereby amended to read as follows:

USES REQUIRING A CONDITIONAL USE PERMIT. The following uses may be permitted on a single parcel of record within the Rural Lands Twenty Acre District (RL-20) if a conditional use permit is issued by the Hearings Examiner after notice and public hearing as provided by BCC 11.50.040.

(a) A sand or gravel pit, stone quarry and similar use for the development of natural resources extracted on-site.

(b) Kennel, commercial.

(c) Child Day Care Facility, Type B, subject to the provisions of BCC 11.42.060.

(d) A Park.

(e) Bed and Breakfast Facility, subject to the provisions in BCC 11.42.030.

(f) Agricultural Market.

(g) Business activities, other than those set forth above, that are compatible with the principal uses and purpose of the underlying zone and the surrounding land uses may be conducted from within an approved accessory building detached from all dwelling units if the following criteria as well as any other conditions required by the Hearings Examiner are satisfied:

(1) The business activity must take place on a parcel of land that is 2.0 acres or greater in size.

(2) There must be a residence on site, and at least one (1) of the proprietors of the business must be the owner or lessee of the property where the business and the residence are located and must reside in said residence.

(3) No more than four (4) non-resident persons, whether they work on site or not, may be employed by or be partners in the business.

(4) The business activity, including all storage space, shall not occupy more than two thousand (2,000) square feet of total floor area within the detached accessory building.

(5) Only one (1) approved detached accessory building on a parcel may be used for business activities. If more than one

- (1) business will be conducted within an approved detached accessory building, then a separate application must be submitted for each business activity, provided that the total area used by all business activities shall not exceed that permitted by BCC 11.15.060(g)(4).
- (6) No more than two (2) non-illuminating signs, with a maximum area of four (4) square feet each, shall be permitted in connection with the business activity. The posting of such signs is limited to the parcel on which the approved detached accessory building is located. On-street (inside the road right-of-way) sign posting and sign posting which interferes with the line-of-site for road intersections are prohibited.
- (7) Not more than three (3) vehicles marked to identify the business may be on the parcel at any one time. No other on-site outside storage of vehicles, equipment and/or supplies is allowed in connection with the business activity. This prohibition applies to, but is not limited to: lumber, plasterboard, pipe, paint, inoperable vehicles, and heavy equipment that are related to the business.
- (8) The property owner and the proprietor(s) of the business shall comply with all requirements of the Benton County Building Department, the Benton County Fire Marshal, the Benton-Franklin Health District, and all other local, state and federal regulations pertinent to the business activity pursued. The requirements of or permission granted by the Hearings Examiner shall not be construed as an exemption from such regulations.
- (9) Adequate off-street parking, as determined by the Hearings Examiner, must be provided.
- (10) Any waste created as a result of the business activity must be disposed of off-site in compliance with all local, state and/or federal regulations.
- (11) The presence of customers/clients and non-resident employees at the location of the business activity shall be limited to the days and hours of operation as determined by the Hearings Examiner.
- (12) The business activity does not require a marijuana retail outlet license from the Washington State Liquor and Cannabis Board.
- (h) Shooting range facility.
- (i) One (1) wind turbine with a wind turbine height of sixty (60) feet or more or a wind turbine farm and related support structures and other improvements under the following conditions:
- (1) The lowest point on all rotor blades must be at least thirty (30) feet above ground level;
- (2) All wind turbine tower bases must be set back from all dwellings not located on the same parcel at least one thousand (~~(1,000)~~) six hundred and forty (1,640) feet;

(3) All wind turbine tower bases must be set back from all property lines a distance equal to the associated wind turbine height plus 50% of that height, except that, where contiguous properties are leased for an identical duration for development of a wind farm, the tower bases set back from the property lines common with such leased properties may be eliminated so long as no part of any wind turbine extends past any such interior property lines and the above-required setbacks are maintained from the property lines comprising the exterior boundaries of the wind farm;

(4) All wind turbine tower bases must be set back from the closest edge of a state, county, or city road right-of-way ((a)) distance equal to the wind turbine height plus 50% of that height;

(5) All wind turbine tower bases must be set back a distance equal to the wind turbine height from all borders of the GMA Agricultural District, except for GMA Agricultural District borders adjacent to the Hanford Reservation owned by the Department of Energy or adjacent to another zoning district adopted by another county that contains a general minimum parcel size of at least twenty (20) acres per parcel;

(6) For wind turbine(s) proposed to be located within four (4) miles of the nearest point of the nearest runway of the nearest airport available for public use, the applicant for a building permit must comply with all the requirements imposed by the Federal Aviation Administration (FAA) and provide a written statement from the FAA that sets forth the FAA's comments and requirements, if any, for the proposal;

(7) All wind turbine(s) must comply with the Federal Aviation Regulations Part 77, Objects Affecting Navigable Airspace, as currently in effect or as hereafter amended, including but not limited to, providing such notices to the FAA as required thereunder and compliance with all requirements or prohibitions imposed by the FAA on the applicant's proposal;

(8) Conditional use permit applications for the placement and operation of wind turbines under this section shall be made available for review by the United States Department of Defense (USDOD) in accordance with RCW 36.01.320, as in effect now or hereafter amended. The notice and processing of wind turbine permit applications will be in accordance with Benton County Code chapter 17.10. Pursuant to BCC 11.50.040 (d), the applicant is required to provide sufficient evidence to persuade the Hearings Examiner that the proposed wind turbine is compatible with other uses in the surrounding area, including any military training activities, or is no more incompatible than are any other outright permitted uses in the applicable zoning district, as well as provide all other evidence required by BCC 11.50.040;

(9) All wind turbine tower bases shall be located at least forty (40) feet for every one (1) foot of tower height or one mile, whichever is greater, from the ends of and at least five thousand (5,000) feet from the sides of all runways which are available solely for private use and identified on the

most current edition of the Sectional Aeronautical Charts produced by the National Aeronautical Charting Office (NACO);

(10) If the use of any wind turbine or wind turbine farm is discontinued for a period of one (1) year or more, the owner of such facility shall remove the facility within ninety (90) days of written notification by the Planning Department. If such facility is not removed within said ninety (90) days, the County may refer the issue to the code enforcement officer for appropriate action pursuant to Chapter 11.43 BCC; and

(11) The wind turbine(s) and all associated service roads may not displace more than five (5) percent of the area of that parcel(s) on which they are located.

(j) Agri-tourism accommodations.

(k) Solar Power Generator Facility, Major.

SECTION 2. Ordinance 611, Section 60 and BCC 11.17.040 are hereby amended to read as follows:

ALLOWABLE USES. Provided all applicable code provisions are satisfied, the following uses are allowed within the GMA Agricultural District on a single parcel of record:

(a) Agriculture, floriculture, horticulture, nursery and general farming; except commercial dairying, poultry raising, commercial hog ranches, animal feedlots and stockyards.

(s) Underground natural gas storage facilities.

(t) One (1) wind turbine with a wind turbine height of sixty (60) feet or more or a wind turbine farm and related support structures and other improvements under the following conditions:

(1) The lowest point on all rotor blades must be at least thirty (30) feet above ground level;

(2) All wind turbine tower bases must be set back from all dwellings not located on the same parcel at least one thousand (~~((1,000))~~) six hundred and forty (1,640) feet;

(3) All wind turbine tower bases must be set back from all property lines a distance equal to the associated wind turbine height plus 50% of that height, except that, where contiguous properties are leased for an identical duration for development of a wind farm, the tower bases set back from the property lines common with such leased properties may be eliminated so long as no part of any wind turbine extends past any such interior property lines and the above-required setbacks are maintained from the property lines comprising the exterior boundaries of the wind farm;

(4) All wind turbine tower bases must be set back from the closest edge of a state, county, or city road right-of-way (~~((a))~~) distance equal to the wind turbine height plus 50% of that height;

(5) All wind turbine tower bases must be set back a distance equal to the wind turbine height from all borders of the GMA Agricultural District, except for GMA Agricultural District borders adjacent to the Hanford Reservation owned by the Department of Energy or adjacent to another zoning district adopted by another county that contains a general minimum parcel size of at least twenty (20) acres per parcel;

(6) For wind turbine(s) proposed to be located within four (4) miles of the nearest point of the nearest runway of the nearest airport available for public use, the applicant for a building permit must comply with all the requirements imposed by the Federal Aviation Administration (FAA) and provide a written statement from the FAA that sets forth the FAA's comments and requirements, if any, for the proposal;

(7) All wind turbine(s) must comply with the Federal Aviation Regulations Part 77, Objects Affecting Navigable Airspace, as currently in effect or as hereafter amended, including but not limited to, providing such notices to the FAA as required thereunder and compliance with all requirements or prohibitions imposed by the FAA on the applicant's proposal;

(8) Conditional use permit applications for the placement and operation of wind turbines under this section shall be made available for review by the United States Department of Defense (USDOD) in accordance with RCW 36.01.320, as in effect now or hereafter amended. The notice and processing of wind turbine permit applications will be in accordance with Benton County Code chapter 17.10. Pursuant to BCC 11.50.040 (d), the applicant is required to provide sufficient evidence to persuade the Hearings Examiner that the proposed wind turbine is compatible with other uses in the surrounding area, including any military training activities, or is no more incompatible than are any other outright permitted uses in the applicable zoning district, as well as provide all other evidence required by BCC 11.50.040;

(9) All wind turbine tower bases shall be located at least forty (40) feet for every one (1) foot of tower height or one mile, whichever is greater, from the ends of and at least five thousand (5,000) feet from the sides of all runways which are available solely for private use and identified on the most current edition of the Sectional Aeronautical Charts produced by the National Aeronautical Charting Office (NACO);

(10) If the use of any wind turbine or wind turbine farm is discontinued for a period of one (1) year or more, the owner of such facility shall remove the facility within ninety (90) days of written notification by the Planning Department. If such facility is not removed within said ninety (90) days, the County may refer the issue to the code enforcement officer for appropriate action pursuant to Chapter 11.43 BCC; and

(11) The wind turbine(s) and all associated service roads may not displace more than five (5) percent of the area of that parcel(s) on which they are located.

(u) Non-agricultural accessory uses that promote or sustain the continuation of the agricultural uses of a parcel if the accessory uses meet the following criteria as well as any other conditions required by the Hearings Examiner:

(1) The non-agricultural accessory use shall be located, designed, and operated so as to not interfere with, and to support the continuation of, the overall agricultural use of the parcel;

(2) The non-agricultural accessory use must be consistent with the size, scale, and intensity of the existing agricultural use of the parcel and the existing buildings thereon;

(3) The parcel on which the non-agricultural accessory use is located meets one of the following:

(i) the parcel is no less than twenty (20) acres in size with eighty (80) percent of the acreage primarily committed to agricultural use and has produced gross income equivalent to two hundred (200) dollars or more

per acre each year for three (3) of the five (5) calendar years preceding the date of application;

(ii) the parcel is currently enrolled in the County's Agricultural Open Space program pursuant to Chapter 84.34 RCW, as currently in effect or as hereafter amended;

(iii) the parcel is not less than one hundred (100) contiguous acres that has been in agricultural use for three (3) of the last five (5) years.

(4) The non-agricultural accessory use, including any new buildings, parking or supportive uses associated therewith, shall be located within one thousand (1000) feet of the nearest existing buildings or residential structures and shall not otherwise convert more than one (1) acre of agricultural land to non-agricultural uses;

(5) The non-agricultural accessory uses, including any storage space associated therewith, shall not collectively occupy more than fifteen thousand (15,000) square feet of building space;

(6) No more than three (3) vehicles marked to identify the non-agricultural accessory use(s) may be on the parcel at any time. No other on-site outside storage of vehicles, equipment and/or supplies is allowed in connection with the non-agricultural accessory use;
