Subject: C.E.A.S.E. EFSEC CARRIGER SOLAR RECOMMENDATION
Date: Tuesday, July 1, 2025 2:52:18 PM

External Email

Hi, EFSEC has recommended Carriger solar in Klickitat County to Governor Ferguson for his approval. EFSEC has failed to have the project approved through a Klickitat County Conditional Use Permit issued by the Board of Adjustment, the powerline along Knight Road has not been permitted by Klickitat County Public Works and the landowners have not asked for a Change of Use to their zoning which would allow the power line to be built and have not received a Conditional Use permit issued by the Board of Adjustment. EFSEC has not addressed and resolved the safety issues associated Battery Energy Storage System that endangers many citizens lives. EFSEC has intentionally ignore the real dangers of Battery Energy Storage System. EFSEC has failed to meet all the requirements and is abusing their authority in order to push this unwanted project to the Governor's desk before the federal funding is eliminated. The Governor must send this recommendation back to EFSEC for further review and corrections. Governor Ferguson do not approve this recommendation. Greg Wagner C.E.A.S.E.
