Subject: Lithium Storage Batteries in Skagit County

External Email

To the Regional Office of ECY,

I was given your email address from Tara in Bellingham Office. They don't know much about the Lithium Storage Batteries that are going in here in Skagit. Which I thought strange that you weren't involved in this project.

I have visited both sites. One in the city in Sedro Woolley on Farmland and surrounded by houses and mobile homes right by Hansen Creek. How can this happen. If Sedro has to be evacuated? Where will all these people go? Fires are very dangerous and common with these Batteries. Who is going to pay for this? I don't think everyone was told about this cause we went door to door in the Trailer park and lots had not received letters about this plus several had wrote the Governor across the street from it and no letters answered???

The one by Padilla Bay is supposedly on a Industrial site but surrounded by wildlife and Farmland and very close to Viva Orangic Farm. Also houses close by. How can this happen. We have an Appeal going June 2nd for one hr 1:30 to 2:30pm. Please answer my letter and show up at the Commissioners Office to show you care. I have also written the Governor twice and no response and am about to write a third time.

Ingrid and Charles Hinton
