Hi, the solar problem is nationwide. <https://ctmirror.org/2025/10/12/ct-solar-power-gravel-pit-pushback/> The solar corporations' dirty tactics are same all across America. Lie to the people and make promises they know they will never keep. We've experienced it with Cypress Creek Renewables. There as here in Klickitat County the state permitting agency will do anything that helps the solar developer get their project permitted all against the will of the people. Solar is the biggest scam ever perpetrated against the American people and it needs to stop. Greg Wagner C.E.A.S.E.
