Q1. **Name** Patricia

Q2. **Email address** netprophet1253@gmail.com

Q3. **Are you part of an Agency or Organization?** No

Q4. **Share any comment**

So many countries around the world are removing/imploding these ugly blights on our landscape because they have realized that do not supply the electricity as promised. These turbines pollute the ground, air & water as well as act as like killing machines to the birds in their vicinity. Please rethink placing these blights on our hills.

Q5. **Upload your document (optional)** not answered

Q6. **Upload a picture (optional)** not answered

Q7. **Did you also share a video?** No

Q8. **What is the title of your video?** not answered
