Q1. **Name** Tenika Morrison

Q2. **Email address** tenikam27@gmail.com

Q3. **Are you part of an Agency or Organization?** No

Q4. **Share any comment**

I love in the purposed area of the turbines and I do in fact every time that it is windy see the endangered ferruginous hawks flying around. It's odd that we even need to specify this for a supposed GREEN project. Lowering carbon levels by killing animals is not it, esp. when we have such better resources already nearby with nuclear and hydro.

Q5. **Upload your document (optional)** not answered

Q6. **Upload a picture (optional)** not answered

Q7. **Did you also share a video?** No

Q8. **What is the title of your video?** not answered
