On behalf of my late father, whom worked for the BPUD for roughly 35 years, I beg, and plead, on behalf of all of the Tri-Cities and surrounding souls, to *not* go forward with this plan of destruction. I appreciate the wanting to provide a safer, "cleaner" environment. I honestly do. But, I don't think the technology is there, just yet. And the amount of endangered rapors that we are mutilating with every spin of those blades? Thank you for your consideration, Sincerely, Stephanie Cheyenne Seger Pasco WA
