Q1. Name	Virginia Fitzpatrick
Q2. Email	virginiaf51@yahoo.com
Q3. Are you part of an Agency or Organization?	No
Q4. Share any comment	I am opposed to Carriger Solar Farm in Klickitat County. How can EFSEC skirt around the Yakima Indians concerns? And then just ignore them? I read where the governor instructed EFSEC to contact them. So you all offer them \$100k and think good enough? There are many concerns concerning this project that have already been reported on - the potential fire danger in our community, the visual pollution, etc. I also do not think you allowed enough time for comments.
