Q1. **First & Last Name** Stephen Tidyman

Q2. **Email address** stephentyman@gmail.com

Q3. **Are you part of an Agency or Organization?** No

Q4. **Share any comment**

I oppose the laying and trenching of the power transmission line in the Columbia River. I believe the project will cause environmental damage disturbing the chemical waste from industrial plants and radio active waste from Hanford. I also oppose private ownership of transmission lines from Big Eddy sub station. I that believe should be done by BPA. Power Bridge is owned by Five Point Infrasture and their plan is developement of data centers, not power for 800 homes.
