Q1. **Name** Half Enerson

Q2. **Email address** ensn@fastmail.org

Q3. **Are you part of an Agency or Organization?** No

Q4. **Share any comment**

The Horse Heaven Spec-5 FEHA Mitigation Plan (Horse Heaven Wind Farm Ferruginous Hawk Nest Mitigation Plan) appears to be comprehensive and well formulated. This plan clearly represents a solid and well thought out effort to ensure the success of the nesting activities for these important raptors in Benton County. Please proceed with the approval of this mitigation plan so this critical energy project can move forward without further delay. Thank you for considering my comments
