

Comment #0030
Badger Mountain Project
Docket #210747

From: [Elizabeth Wilson](#)
To: [EFSEC \(UTC\)](#)
Subject: Solar Project on Badger Mountain
Date: Wednesday, November 17, 2021 5:05:47 PM

External Email

Please don't approve solar projects on Badger Mountain. I am for solar projects, just not at that location. It seems so counterproductive that the State would pay to protect the endangered Sage Grouse in that location and then negatively impact them with approving a solar project there. There are other locations for the solar projects.
