

**BEFORE THE STATE OF WASHINGTON
ENERGY FACILITY SITE EVALUATION COUNCIL**

In the Matter of the Application of:

Innergex Renewable Development USA, LLC

Wautoma Solar Energy Project
Applicant

DOCKET NO. EF-220355

NOTICE OF DECISION BY THE
GOVERNOR

January 13, 2025

On January 9, 2025, the Energy Facility Site Evaluation Council (EFSEC or Council) received a response from the Governor's office for the Wautoma Solar application. This response included a letter from the Governor and a signed Site Certification Agreement (SCA). These documents may be found on the EFSEC website at <https://www.efsec.wa.gov/energy-facilities/wautoma-solar-project/wautoma-recommendation-and-governors-decision>.

Pursuant to RCW 34.05.542(2) and (3), today's service on the parties of record of the Governor's final decision approving the application and executing the certification agreement starts the thirty day deadline for filing and serving any petitions for judicial review as provided for in RCW 80.50.140(1).
