Governor, the citizens of Klickitat County do not want your renewable junk in OUR county. Site wind and solar projects on the west side of the state near your home and EFSEC, DNR, Commerce and Ecology employee's homes. That will never happen because you don't want it in your backyard so force it on the citizens in eastern Washington. You are a hypocrite. YOUR renewable plans are destroying OUR state. Washington state does not belong to you dictator Inslee you do not have the final solution. Stop the stupidity now. Greg Wagner C.E.A.S.E. CITIZENS EDUCATED ABOUT SOLAR ENERGY
